## **RIO RICO MAN SENTENCED ON CHILD PORNOGRAPHY CHARGES**

TUCSON, Ariz.– William Mayberry, 56, of Rio Rico, Ariz. was sentenced Wednesday by U.S. District Judge Raner C. Collins to 40 months in prison to be followed by lifetime supervised release with a number of conditions, including a requirement that Mayberry register as a sex offender. Mayberry pleaded guilty on January 3, 2006, to Possession of Child Pornography.

Authorities were alerted that an on-line account with which Mayberry was associated was used to subscribe to a paid website which contained child pornography. The possession charge stemmed from the recovery of child pornography from a computer and computer disks seized when agents visited Mayberry at his home in Rio Rico on June 23, 2004. A forensic review of the computer and computer disks seized on that day resulted in the recovery of several hundred images and several movies depicting children engaged in sexually explicit conduct, including children under the age of 12. Agents were unable to locate Mayberry to execute a warrant for his arrest after the forensic examination of the computer was completed. Mayberry was arrested in Texas in September of 2005 after applying for readmission to the United States from Mexico. Mayberry has been held in custody since that time.

The investigation preceding the indictment was conducted by the U.S. Immigration and Customs Enforcement. The prosecution is being handled by Judson T. Mihok, Assistant U.S. Attorney, District of Arizona, Tucson, Ariz.
